Attendee Screening: Trip is limited to youth ages 6- 12 and their parents. Participants need to have alpine tenting camping experience. Tilley is a remote location where participants need to be properly equipped and self sufficient enough to be prepared to deal with all alpine conditions. Attendees are pre screened. The trip coordinator will review your background and may contact you before accepting you on the trip.

Maximum Group Size: 16

Minimum Group Size: 16

Itinerary:

Day 1: Meet at 7:00 AM at the selected staging area access road. Waivers check, gear check. Transportation to the helicopter staging area will be the responsibility of the participant. Road may not require four wheel drive but will require high clearance. Drive to the helicopter staging area. Organize gear for flight. Participants will be limited to a specific weight and size capacity to accommodate take-off and landing performance and internal gear carrying capacity of the helicopter. Fly into camp. Masks will need to be worn within the helicopter due to COVID guidelines. Set up camp. Hike or scramble up one of the surrounding peaks. Go over basic snow ascent, alpine climbing techniques. Organize groups and gear for the following day.

Day 2: Attempt climb of Mount Tilley via the west ridge for those interested, experienced and equipped. This route will require possible glacier travel, snow travel, and exposed ridge climbing. Others have the option to hang around camp or hike one of the surrounding peaks.

Day 3: Morning ascent of a surrounding peak. Take down camp. Prepare for flight out. Fly out to staging. Drive back to Revelstoke.

Required items to bring:

Equipment: All personal camping, hiking and climbing equipment are the responsibility of the participant.

Food: Participants will provide their own food for the trip.
